

The Asian Studies Center presents a Winter 2008 Film Series:

North Korea *from Every Angle*

North Korea's isolation from the rest of the world has made it an inspiration for many filmmakers and documentarians. What is life really like beyond the DMZ? These films from the United States, South and North Korea spotlight issues and imagine stories with North Korea at the center.

**All films will be shown on Wednesdays at 6pm in Bessey Hall
Room 108, and all showings are *FREE!***
